Meniscus: Crossing the Churn (Paperback)

By Alexandra Tims

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. On the alien planet Meniscus, Humans are slaves. Every twilight, Odymn runs through the forests, practicing the art of parkour. Her runs give her strength, flexibility and endurance, and a way to survive a life of servitude under the oppressive Dock-winders. When the silent Slain rescues her from a brutal encounter with a gang of Gel-heads, Odymn believes she has reached the end of her search for freedom. In their travels through the Prell nan District of Meniscus, she and the Slain encounter dangerous woodlands, dramatic water-climbs and a hard-to-cross water churn. Odymn and the Slain work together to evade the Gel-heads and overcome the dangers of the landscape. But is Odymn really free or is she caught in a cycle of trying to escape the inevitable? In the first of the Meniscus series, Crossing The Churn tells the story of the meeting of a young woman and a genetically-engineered Slain whose kindness may not be consistent with his purpose.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
