Createspace Independent Publishing Platform, 2000. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Christ, Our Savior Songbook Piano Vocal Edition is a 185 page collection of 45 Christian songs for the worship service specifically designed for the church pianist (keyboard player) and/or vocalist who prefer a written piano score, but I also included the chord symbols with bass note for guitar and bass. This music can easily be used by worship team leaders and members in an onstage band of vocalists, guitar, piano/keyboard, bass and percussion. All the songs in the book are licensed with Christian Copyright International (CCLI) and have royalty numbers assigned to them for reports of usage worldwide in the catalog - The King's Court. The lyrics are available for download and church projection on a screen at via Song Select. Instrumental introductions and interludes are marked in the scores and they are to be played on the piano, or by any appropriate available instrument. These short themes may be raised or lowered an octave to accommodate the instrument desired. Optional solos are marked in many of the songs. This is an excellent way to give trained vocalist within the church...
