Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Are you trying to grow spiritually but don't know how to get started? Have you read some books on spiritual awakening, but still remain really confused about how to get started? Are you an old hand who knows a lot about spiritual growth but you're looking for a good read or a new angle on things? Are you curious about spirituality but don't want to commit, you just want to gain some insights? The answer to each of these questions lies therein, as this book attempts to provide the reader with a wide range of helpful orientational topics, which will answer these questions plus provide some useful food for thought, regarding how best to approach your own spiritual awakening whether you are a beginner, advanced or simply curious! In a nutshell spiritual awakening requires certain exercises, but it also requires certain approaches. This book focuses upon the approach which will broaden your mind and connect you to your feelings. It's also written with a good bit of real life experience at hand. I know there are lots of generic spirituality books on the market, well this isn't one of them. I have been interested in the subject since the 1980s and actively studying mysticism since the early 1990s; I'm not saying that I am qualified rather I'm just saying that I am experienced and to be honest with you for the first ten or fifteen years, I was without any kind of a compass and just flying by the seat of my pants. I hope that this book will reduce the years of wasted efforts for you! It's not possible to be...
