MASON-DIXON MEMORIES: A MEMOIR ABOUT LOVE, LOSS, AND REDEMPTION

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In essence this soulful story is about the continuous coming-of-age of a fragile family during the fifties, sixties, and beyond who spent years crossing the invisible Mason-Dixon Line in search of the truth, new beginnings, redemption, and the best way to live their lives. When two Southern brothers from New Roads, Louisiana married two Northern sisters from New England, the roots of these Mason-Dixon matches were planted in the fertile soil along the Mississippi. Although one of the only things that these couples had in common was the word new in their places of birth, the author's young and impetuous parents decided to elope nine days after they were introduced by their older siblings! They built the foundation of their family in a little cypress shotgun cabin under a beautiful cathedral ceiling of an old oak alley on a piece of land called Live Oak. For thirteen years the couple tried to make their marriage last until it finally shattered on the day that the author's mother took her children and left their Daddy behind without any warning in order to return to her roots in Massachusetts. This traumatic day of separation marked the before and after of the lives of a family who, each in their own way, had to grow up. The children spent years crossing the lines of their youth as they went back and forth from South to North and back to Dixie again where they spent summers with their father, their college years, and some of the best moments of their lives! This nostalgic look back at first loves, home, divorce, and friendships that last a lifetime speaks to the strength,...
