

## The Anti-Politics Machine (Paperback)

By Julie Jenkins

Macat International Limited, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. The Anti-Politics Machine (1990) examines how international development projects are conceived, researched, and put into practice. It also looks at what these projects actually achieve. Ferguson criticizes the idea of externally-directed `development and argues that the process doesn't take proper account of the daily realities of the communities it is intended to benefit. Instead, they often prioritize technical solutions for addressing poverty and ignoring its social and political dimensions, so the structures that these projects put in place often have unintended consequences. Ferguson suggests that until the process becomes more reflective, development projects will continue to fail.

### Reviews

*These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Lorena Streich**

*It becomes an awesome pdf that I have actually read through. It really is full of knowledge and wisdom You may like how the writer compose this book.*

-- **Amanda Gleichner**
