EIGHTEEN OBJECTS OF POWER (PAPERBACK)

Penflight Books, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The epic fantasy *The Year of the Red Door* takes place within a rich and complex world, one that is full of history and magic, myth and legend. Along with the five main volumes comprising the story itself is a soon-to-be released *Reader's Companion*. This book, *Eighteen Objects of Power*, is an excerpt taken from the forthcoming *Reader's Companion*. This is what the author says in his Preface: During the development and writing of *The Year of the Red Door*, a substantial number of historical objects, events, and people were imagined and noted. At last, I hunkered down and organized the most coherent of my notes into what I call *The Reader's Companion to The Year of the Red Door*. It has served as my primary reference work during the writing phase of *The Year of the Red Door*. It is also the source of the *Eighteen Objects of Power*. Subscribers to my *News Updates* newsletter have already been receiving some of my notes in the form of selected backstories. For those of you who are reading (or have already read) *The Year of the Red Door*, the stories and descriptions here might...
