AN OTTER S GUIDEBOOK TO BEING OBNOXIOUSLY HAPPY (PAPERBACK)

DOWNLOAD

Piedmont Pages, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In this witty and insightful guidebook, the author compares sea otters to humans, as he draws lessons on happiness and well-being from these furry little rodents. Otters may just be lowly rodents, unaware of such humanly pursuits as philosophy, technology, or science. However, their simple lives, which they dedicate to family, and predicate upon affection and love, greatly elevate their stature among God s creations. They may never read Shakespeare, nor comprehend the nuclear reactions taking place overhead in the Sun. However they have something that may very well be far more significant and profound. Otters are happy! The same universal principles that lead a sea otter towards happiness will operate on you or any other individual. Ten Lessons That Sea Otters Can Teach Us About Happiness!! Learn how to be so obnoxiously giddy that your neighbors, friends, and family all puke from disgust after just five minutes in your presence! A guidebook for men, fathers, and husbands.
