Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

MEET THE APOSTLES: BIBLICAL AND LEGENDARY ACCOUNTS

Createspace, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.All Christians are familiar with the fact that there were twelve original apostles. The names Peter, John, James, Doubting Thomas, Judas Iscariot, etc. are household words. However, many Christians would be hard-pressed to name all twelve of the original apostles, impeded in part by the fact that at least two apostles have different names in different New Testament books. Even more difficult would be the task of naming the other people (excepting Paul) in the New Testament that have the word apostle associated with them. This book will look at all of the apostles mentioned in the New Testament, using Biblical and Legendary Sources such as the New Testament, and the works of Eusebius, Hippolytus, Irenaeus, and Flavius Josephus. Part One of this book will focus on The Twelve apostles chosen by Jesus. Part Two of this book focuses on apostles named in the New Testament outside of the Twelve, including Paul, James the Just (the brother of Jesus), Barnabas, Matthias, Andronicus and Junias. An appendix, Leadership in the Early Church, compares and contrasts the role of the apostles with other leaders, such as deacons, bishops and elders.
