By Claudean Nia Robinson

iUniverse, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Although a diagnosis of breast cancer is certain to be frightening and life-changing, with the help of supportive family and friends, it's possible to come through triumphant on the other side. In her new memoir, *I Forgot to Cry*, Claudean Nia Robinson shares the history of her personal breast cancer journey in 2008. Her story is about embracing the journey—despite the heartache and challenges that developed along the way. Learning and growing from those challenges was an integral part of the healing process for her, and it also allowed her to trust and have more faith in herself and God at a much deeper level. Being surrounded by her loving family and friends, day in and day out, was also an important part of her recovery. Having come through such an experience, Claudean decided to use her passion and purpose to inspire and encourage cancer patients and survivors as they were working to achieve their wellness. Through this journey, she learned that it's not the years in your life but the life in your years that creates a brighter tomorrow.
