Intuitive Acupuncture (Paperback)

By John Hamwee

JESSICA KINGSLEY PUBLISHERS, United Kingdom, 2015.

Paperback. Condition: New. Language: English . Brand New

Book. The role of intuition is seldom identified in acupuncture training as one of the keys to effective practice. John Hamwee

here explores its paramount importance in diagnosis and treatment, showing how development of the intuitive sense,

and its appropriate use in the treatment room, is vital to

building the most effective individual practice. Through

discussion of theory, clinical example, and the experiences of

leading acupuncturists, the author shows how intuition, or the

grasping of subliminal clues, can be developed, based on the

practitioner's growing storeroom of clinical experience and

why it is so useful for this to become a conscious and

rigorously examined process. He discusses the process of

testing intuition against objective observation of the patient,

and how an intuitive leap can provide a shortcut across an

innumerable series of diagnostic steps, and lead to diagnostic

and treatment decisions that make complete sense of the

observable phenomena. He suggests that learning to trust the

intuitive faculty, while still fully interrogating conclusions, is the

basis of better patient outcomes and significantly advanced

practice. This thoughtful and engaging book will be one that

acupuncturists will want to...
