Some of the Descendants of Thomas and Sarah Webster of England and New Hampshire (Paperback)

By Dale Douglas Webster

Heritage Books, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Thomas Webster was born in Ormesby, England, and came to the New World as a child. His wife, Sarah was born in New Hampshire. Their descendants started in New England and migrated west as the frontier opened to these pioneers. This book covers twelve generations consisting of 452 descendants extending across 400 years. This exceptional work is presented in the Modified Register System and has been compiled mostly from primary sources. It includes lots of interesting historical background and, when possible, extensive biographical sketches of some of the more prominent Webster descendants. The great U.S. Senator and Secretary of State, Daniel Webster, was a descendant. There are also five Mayflower Pilgrim family connections: Dr. Samuel Fuller, Capt. Myles Standish, John and Priscilla (Mullins) Alden, and Henry Samson. In addition, there are several veterans of the Revolutionary War and the Civil War. Names are indexed for easy reference; women are indexed by both their maiden and married names. There are eight photographs, some dating from the 1860s; and five maps. Dale Douglas Webster researched his genealogy for over twenty years. In addition, he...

Reviews

This ebook is wonderful. I have got go through and so i am certain that i am going to likely to read through once again again later on. You will like the way the article writer compose this ebook.

-- Miss Ariane Mraz

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).
