Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Children are the apple of parents eyes. A very common saying that we have heard from our childhood days and experience it the time we have become parents. Each and every parent has a huge responsibility of raising children with good habits, behaviors, attitude, moral, ethics and values. Among all these important aspects, instilling good eating habits and providing wholesome nourishment to children is a prime most responsibility of parents. As they say a healthy outside begins from a healthy inside. Childhood is a critical period for growth and development hence it is essential that food supplies the energy, protein, vitamins and minerals that a child needs. Children must also drink plenty of water for a good bowel movement and to stay hydrated in their schedule. Kids are known to be picky eaters, irrespective of the age group they belong to. Making them eat healthy food and help them stay active is quite a struggle these days. They often develop a natural preference for the food they enjoy eating the most. So, the challenge is to make healthy choices appealing. One simple...
