Reviews

Extensive guide for ebook enthusiasts. It is definitely basic but surprises in the fifty percent from the pdf. Your life span is going to be change the instant you comprehensive looking over this ebook. (Audie Hettinger)

RED SOX 2011: A WHIMSICAL AUTOPSY

Createspace, United States, 2011. Paperback. Book Condition: New. 228 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Now you can follow the entire season, month by month, through humorous essays, written as events unfolded, which reveal the root causes as the 2011 Red Sox folded. The 2011 season for the Boston Red Sox began with great optimism, peaked with confidence, and collapsed with a great thud. The Red Sox pieces could never be put together again once Theo Epstein s Humpty Dumpty team fell off its perch. These essays about the hullabaloo over the eggshell catastrophe serve as a whimsical autopsy. William Russo traces the team from its spring training, through the rough start, to midseason recovery, to the inevitable final game loss, hanging by the thinnest thread, only to lose and to watch Tampa Bay come back from a 7 run deficit to win their game. This book does NOT discuss games to analyze the Sox, but looks at the stars to determine the truth. Red Sox stars did not shine in 2011, with one or two exceptions. Collecting his essays from MTR Media and Bleacher Report websites, Russo humorously follows the chronology of the decline and fall as it happens off the field. Starting with optimistic spring training where some thought the team would end up with 100 victories, each month of the season is concurrent to the events. Each of the major and minor events of the season is delineated with surgical wit, from visits in Anaheim with Tom Brady to the glorious success of Jacoby Ellsbury, and the vainglorious collapse in September. Yet, the seeds of destruction were there, and this author-cum-coroner saw them unfolding. The events are presented with the humor that draws between baseball and classic literature. Tales of...
